* Where available

Wireless Installation Fees

No Install Fee with 2 year lease commitment

\$199 with a no lease commitment

Wireless not available where DSL and Cable broadband are available

DSL/Cable – No install fee for current cable and phone customers

Cable broadband customers must also pay for cable TV because we cannot separate the cable TV signal from the internet. Basic cable service is \$21.90 plus tax which comes to \$23.10. There is also a \$20 install fee for cable TV.

DSL without phone is an additional \$25 per month and there is a \$99 install fee for customers without our phone service.

Cable broadband available in Elwood only.

DSL available in Arapahoe, Brule, Farnam, Hendley, Holbrook, Loomis & Overton.

Wireless available in Alma, Atlanta, Bartley, Beaver City, Bertrand, Big Springs, Brule, Cambridge, Cozad (rural), Curtis, Edison, Elm Creek, Elwood (rural), Eustis, Farnam, Gothenburg, Holdrege, Huntley, Indianola, Johnson Lake, Lake Maloney, Lebanon, Lexington, Loomis, Maywood, North Platte, Ogallala, Orleans, Oxford, Plum Creek Canyons, Sappa Valley, Smithfield, Stamford & Wilsonville.

Accelerator

Monthly charge \$3.00

A program that can be downloaded to your computer to help increase internet speed for dial up customers. It is **very** dependent on how you use the internet. Those that use the internet mostly for browsing and email will see a much better increase than those that download lots of files and view streaming video. An average user will see a 400-600% increase in speed.

Secure IT Plus
