IRS on the Internet: www.irs.gov

This is the address for the Internal Revenue's web site and it has lots of useful information. You can order extra forms, you can get questions answered and last, but certainly not least, you can e-file your tax return if you qualify. Wondering if you qualify? The information on the site can help you figure that out too.

The IRS has redesigned their site, so if you haven't visited it recently you may find information that wasn't available before. It's certainly worth a few minutes of your time, especially if it can speed up that refund you're getting!

Did you know?

- ♣ The first celebration of St. Patrick's Day was in Boston in 1737.
- ♣ Green is associated with St. Patrick's Day because it is the color of spring.
- ♣ The city with the largest population of Americans of Irish descent is Boston (23%).
- ♣ St. Patrick's Day is not a big drinking holiday in Ireland. In fact, some of the local pubs are closed this day.
- ♣ Ancient Irish used to wear green to show their love for the harvest gods.
- ♣ The Irish flag is green, white & orange. Green symbolizes people of the south, orange the people of the north. White represents the peace that brings them together as a nation.
- ♣ Legend says that each leaf of the clover has a meaning. First is for hope, second for Faith, third for love and the fourth for luck!
